LIVESTOCK/DOMESTIC FOWL PERMIT APPLICATION

Chapter 81 of the Knightdale Town Code specifies the regulations or prohibitions of the keeping of certain types of animals within the corporate limits of the Town. With certain criteria being met, the keeping of livestock and/or domestic fowl with the corporate limits may be allowed. Additionally, Section 4.6D(2) of the Unified Development Ordinance (UDO) contains the provisions specific to the keeping of chickens (*hens only*) in a chicken coop as an accessory use to single-family dwellings. In all cases, a permit must first be approved by the Development Services Department.
