GREY HIGHLIGHTS REPRESENT WEEKENDS OR HOLIDAYS

The town leaf program will begin on 10/31/16. Please match your subdivision in the color coded boxes to the map to determine the approximate dates for your leaf debris. While this is not a science, Public Works crews will try to adhere to the dates listed in order to avoid any confusion.

There are few guidelines that will help the town to be more efficient in this process. Please review these guidelines and serve our crews so that we can help all citizens in a timely manner.

1. Please keep leaves at least three feet away from utility poles, boxes and mailboxes.
2. Please keep stumps, rocks and other items separate from the leaves as they could damage our collection equipment
3. Please do not place yard waste in containers, paper bags, or trash bags.
