Attending Mayor Russell Killen, Committee Chair Mike Chalk,
Council Member Tim Poirier, Town Manager Gary
McConkey, Assistant Town Manager Seth Lawless,

The discussion focused on the developing budget. Changes from the 5 year forecast were discussed and adopted. Those changes included moving from replacing computers on a scheduled cycle to replacing them as needed. Need will be defined as identifiable performance issues. Police laptops installed in vehicles will continue to be replaced on a three year cycle. Chairman Mike Chalk suggested the use of smaller pickup trucks as a cost savings measure.

These suggestions were noted and incorporated into the working copy of the budget.
