FOR IMMEDIATE RELEASE

The Town of Knightdale Police Division Receives Grant from Ternyda Accessories Corporation

KNIGHTDALE, NC – June 25, 2007 — The Town of Knightdale today announced that Ternyda Accessories Corporation has donated \$1,740 to the Police Division (PD) for the purchase of two tasers. The grant will bring the total number owned by the PD to four. Tasers send electrical charges through the body and allow officers to briefly disable a detainee without the use of deadly force. “This grant now gives us enough tasers that each officer on patrol will have one available,” stated Police Chief Richard Pope. Ternyda Accessories Corporation produces golf cart accessories and has been located on Forest Drive in Knightdale for five years.
