**Feb. 3: Changeling-2008 142 min. Rated R**

Christine Collins ([Angelina Jolie](#), in an Oscar-nominated role) is overjoyed when her kidnapped son is brought back home. But when Christine suspects that the boy returned to her isn't her child, the police captain ([Jeffrey Donovan](#)) has her committed to an asylum. [John Malkovich](#) co-stars as the crusading reverend who comes to Christine's rescue in [Clint Eastwood](#)'s gripping period drama based on actual events.

**Feb. 17: Men of Honor-2000 128 min. Rated R**

Against formidable odds -- and an old-school diving instructor ([Robert De Niro](#)) embittered by the U.S. Navy's new, less prejudicial policies -- Carl Brashear ([Cuba Gooding Jr.](#)) sets his sights on becoming the Navy's first African-American master diver in this uplifting true story. Their relationship starts out on the rocks, but fate ultimately conspires to bring the men together into a setting of mutual respect, triumph and honor.
