

The Knightdale Police Department seeks to promote its mission through the use of professional policing practices and the formation of community partnerships. What profit is to a business, trust is to a police department. Essentially, trust is our currency.

In an effort to increase the level of trust and transparency between the community and its law enforcement professionals, the agency has compiled a brief summary of data related to issues that impact the Town of Knightdale and its citizens. The following data is not all inclusive, but intends to provide an overview of our efforts and work throughout the year. We welcome your call or visit should you have any questions or concerns regarding this statistical information.
