Employee Benefit Information

NC Local Government Employees' Retirement

What does it mean to become vested? You become vested once you have completed 5 years of creditable service. Vested means you are eligible to apply for monthly retirement benefits based on the formula as well as age and service requirements set by the state of NC as long as you do not withdraw your contributions.

What if you leave the system prior to becoming vested? You are only entitled to a refund of your contributions.

- 1) Mandatory participation with a pre-tax payroll deduction of 6% of gross salary
- 2) Town contributes 7.50% of employee's gross salary
- 3) Unreduced benefits available after:
 1. Age 65 with 5 years of creditable service;
 2. Age 60 with 25 years of creditable service; or
 3. Any age with 30 years of creditable service
- 4) Reduced benefits available after:
 1. Age 50 with 20 years of creditable service; or
 2. Age 60 with 5 years of creditable service
- 5) Disability benefits available after 5 years of creditable service

Insurance (subject to change annually at July 1st):

The Town currently funds \$500 monthly toward each employee's health, dental and vision coverage. Employees who participate in health assessment screenings receive an additional \$150 per month bringing their town funding up to \$650 per month. The current maximum allowance of \$650 covers 100% of current employee premiums for health, dental, and vision with a small portion leftover that funds a flexible spending account. Any elections for dependent coverage or FSA funding resulting in a cost above the Town allowance are handled through a pre-tax payroll deduction.

- 1) **Flexible spending account** (FSA) administered by the P&A Group
 1. Possible funding by Town depending on insurance selections
 2. Pre-tax funding by employee is optional
 3. Can be used to pay for medical, dental, vision expenses or adult and child care costs
